Mr. T.H. Nelson
Systems Const.
Box 1546
Poughkeepsie, New York

YOUR HELP WOULD BE APPRECIATED

Your past interest in our specialized professional service can be of real help to me. One of our most important jobs is to do continuous research to constantly improve our service and our program for our clients and our Franchisees. You can help me in this important work by giving me your reactions on the back of this letter and returning this to me in the enclosed self-addressed, postage-paid envelope.

I thank you sincerely.

J. F. Porter
President

MODERN SYSTEMS FOR CREDIT MANAGEMENT
